

COMBINED GENERAL MEETING OF JUNE 29, 2018: APPROVAL OF ALL RESOLUTIONS

The Combined General Meeting of Icade's shareholders, held on June 29, 2018 and chaired by Mr André Martinez, approved all the resolutions recommended by the Board of Directors.

Voting results for each resolution are shown below.

Approval of the merger of ANF Immobilier into Icade

The General Meetings held by ANF Immobilier and Icade approved the merger of ANF Immobilier into Icade based on an exchange ratio of 3 Icade shares for 11 ANF Immobilier shares representing a dilution of only 0.57% to Icade's shareholders.

The merger, entailing the dissolution of ANF Immobilier without liquidation, took effect at the end of Icade's Combined General Meeting held today and will be retroactive to January 1, 2018 from an accounting and tax standpoint.

Icade welcomes this merger which fits into the group's plan to streamline its structures and which is following the transactions that occurred in 2017.

This transaction meets Icade's objectives to diversify its portfolio and increase its presence in major French cities, in addition to making it possible to access ANF Immobilier's development projects worth €245 million¹.
