Karine Anne Huberfeld joins Icade's Executive Committee as General Secretary in charge of the Group's governance, legal affairs and insurance

Karine Anne Huberfeld has joined Icade as General Secretary in charge of the Group's governance, legal affairs and insurance and, as such, an Executive Committee member, effective June 29, 2026.

Karine Anne Huberfeld began her career in 1998 at Archibald Andersen Legal, where she worked on commercial litigation, arbitration, M&A and competition law. From 2000, she worked at Clifford Chance as a senior lawyer until 2006, handling multi-jurisdictional matters for major groups in the property, energy, insurance and industrial sectors.

In 2008, she made a significant career move by joining the French Financial Markets Authority (AMF) as Project Manager in the Investigations Department, a position she held until 2013. Through this experience, she acquired extensive knowledge in governance, financial reporting and regulatory compliance.

In 2014, she moved to ODDO BHF as Group Head of Legal and Group Data Protection Officer, reporting directly to the CEO. There, she oversaw a wide range of areas covering cross-border M&A, strategic litigation, governance and compliance. In 2021, she became General Secretary and a member of the Executive Committee at GreenYellow. In this role, she led the development of a streamlined legal function to support the company's rapid growth and international expansion.

Her expertise in financial markets regulation, the negotiation of complex contracts and the management of cross-functional projects, combined with a proven ability to support organisational transformation and development, will be a major asset for Icade as it pursues its goals and continues to improve its standards of excellence.

“Karine Anne Huberfeld succeeds Jérôme Lucchini as General Secretary on the Executive Committee. I would like to sincerely thank Jérôme for his outstanding commitment and strong sense of responsibility. I am delighted to welcome Karine Anne to the Icade Group and wish her every success in her new role,” declared Nicolas Joly, CEO of Icade.
